The Principles of the Scottish Rite

DECLARATION OF PRINCIPLES BY THE SUPREME COUNCIL OF SOVEREIGN GRAND INSPECTORS GENERAL OF THE THIRTY-THIRD AND LAST DEGREE OF THE ANCIENT ACCEPTED SCOTTISH RITE OF FREE- MASONRY FOR THE NORTHERN MASONIC JURISDICTION OF THE UNITED STATES OF AMERICA

In view of the many allegations that Freemasonry concerns itself in controversies, both of a religious and political nature, this Supreme Council hereby declares to the world the following statement of principles:

This Supreme Council affirms its unswerving loyalty to the fundamental purpose and principles of Freemasonry.

It understands that purpose to be the improvement and strengthening of the character of the individual man, and through the individual of the community.

It believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect, and opinion may unite, rather than by setting up a restricted platform upon which only those of certain races, creeds and opinions can assemble.

Believing that good and wise men can be trusted to act well and wisely, it considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility, to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing, toward all mankind which will move them to translate principle and conviction into action.

To that end, it teaches and stands for the worship of God, for truth and justice, liberty and enlightenment, fraternity and philanthropy.

It believes in principles rather than programs. Principles unite men; programs divide them. Men may agree on principles without agreeing upon their particular application to some specific problem.

Nothing can be more important than the preservation of the essential and permanent sympathy and unity of purpose of those who are unable to agree as to the wisest action under special and temporary conditions.

It is of the essence of Freemasonry that this unity be preserved.

Believing this, this Supreme Council affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion within tyed doors of creeds, politics, or other topics apt to excite personal animosities.

It further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity, strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action, or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way to attempt to procure the election or appointment of governmental officials, whether executive, legislative or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties. The true Freemason should act in civil life according to his individual judgment and the dictates of his conscience.

Foreword

This history of the Seventy-fifth Anniversary Celebration of Harrisburg Consistory has been prepared as a fitting close of seventy-five years of activities in Scottish Rite Masonry in Harrisburg.

The compilation was made up from highlights prepared and supplied by a number of interested, devoted and active members. Much of the historical connection was given in the Fiftieth Anniversary Celebration in 1915. This was compiled and presented by Arthur D. Bacon, 33°, a Past Commander-in-Chief of Harrisburg Consistory, and it is found in the publication entitled "Fifty Years of the Supreme Council of the Ancient Accepted Scottish Rite for the Northern Masonic Jurisdiction, U. S. A., 1867-1917, Volume One." This volume was compiled and edited by a member of Harrisburg Consistory, James Hodge Codding, 33°, Grand Secretary General...H...E... and Robinson Locke, 33°, Marshal of the Camp, by the direction and under the authority of the Supreme Council.

This Seventy-fifth Anniversary Celebration is made up of some notes of what was comprised in the Fiftieth Anniversary Celebration, with the addition of twenty-five years elapsing since that date, and the crowning triumph of our Annual Fall Reunion of Harrisburg Consistory and Co-ordinate Bodies, held November 11, 12, 13, 14, 1940, and which is considered a most fitting climax to this Seventy-fifth Anniversary Celebration.

Seventy-Fifth Anniversary Celebration

of

Harrisburg Consistory, A. A. S. R.

November 15, 1940

1865—1940

THE CELEBRATION OF THE SEVENTY-FIFTH ANNIVERSARY OF THE CONSTITUTION of Harrisburg Consistory, Ancient Accepted Scottish Rite of Freemasonry, brings to our attention the history of the organization's accomplishments during the seventy-five year period, November 15, 1865 to November 15, 1940. It also brings to us the question which we cannot answer—"What will it be seventy-five years hence?" To reply to that, at this time, would be prophecy; therefore, we must wait until prophecy makes reply in actuality.

President Garfield said, "History is but the unrolled scroll of prophecy," and further, he said, "Things don't turn up in this world until somebody turns them up."

We are proud of our seventy-five years of history. We look upon it with pleasure that is not evanescent, but which results in satisfaction for what has been attained and accomplished.

There is an inward urge or desire that future success and attainment will maintain and increase the proportion or ratio of the past seventy-five years, especially the past forty years, 1901 to 1940, inclusive.

We are not attempting to glorify an empty bubble. Our aim is to present to the membership a solid growth which has withstood the various vicissitudes and depressions of the last seventy-five years, and has become a most stalwart pillar in the edifice of Scottish Rite Masonry.

On occasions of this character, we become retrospective. A very common, but most true, adage comes to mind. "Great oaks from small acorns grow." This is potently and particularly applicable to Harrisburg Consistory, A.A.S.R., when we think of the small acorn of Scottish Rite Masonry which was planted seventy-five years ago in Harrisburg, by a band of devoted brethren, and which has grown into a strong and massive Masonic oak under the branches of which we are today basking in the light and truth of Scottish Rite Masonry.

We must look with pride and veneration upon that small band of Scottish Rite Masons who became inbued with the idea of forming an organization which is today one of the best and most prosperous attainments of Scottish Rite Masonry.

We turn in retrospect to the brethren who planted and nurtured the small seed which has grown into the thriving bodies to which we hold allegiance, the thriving bodies which have grown up from the original seed. The following is recited, some parts directly from the minutes, others directly from records in the office files.

We have a historic record that the Most Potent Sovereign Grand Commander of Sovereign Grand Inspectors General, 33°, Killian H. Van Rensselaer, assisted by Alfred Creigh, I. Whittier, and H. Stanley Goodwin, Sublime Princes of the Royal Secret, opened a Grand Lodge of Perfection, March 15, 1864, in which twenty-six initiates were received. Of these, twenty-five were created Grand Elect Perfect and Sublime Masons, and one candidate Sublime Knight Elected.

On March 16, 1864, a Grand Lodge of Perfection was opened by the Most Potent Sovereign Grand Commander of the Supreme Council of Sovereign Grand Inspectors General 33°, Killian H. Van Rensselaer, and Harrisburg Grand Lodge of Perfection was duly constituted, and organized by the election of the following officers:

H. Stanley Goodwin	Thrice Potent Grand Master
Alfred Creigh	Deputy Grand Master
C. F. Knapp	Senior Grand Warden
John Vallerchamp	Junior Grand Warden
Charles C. Shorkley	Grand Master of Ceremonies
George Guinn	Grand Keeper of Seals
John Edwards	Grand Treasurer
Charles A. Bannvart	Grand Secretary
E. W. M. Low	Grand Captain of the Guards
Michael Bender	Grand Tyler

The lodge was then closed in harmony.

Attest C. A. BANNVART, Secy.

The foregoing was the planting of the Scottish Rite acorn in Harrisburg.

On the same dates, by the same officers, we have the conferring of degrees, the constitution and organization of Harrisburg Council Princes of Jerusalem.

Effort has been made to arrange these extracts chronologically, but in some cases there are over-lappings and interlardings for explanatory purposes.

Relative to Harrisburg Chapter of Rose Croix H.R.D.M., we quote from the records bearing date of November 15, 1865:

To the action of the officers of these Scottish Rite bodies in Harrisburg, we later members must look with honor and due respect.

Every organization must have a start. We have tried to give the present membership some idea of what these brethren experienced in establishing the Scottish Rite Bodies in Harrisburg. Peradventure we may not have accredited all the early official workers with what is their due in the work.

There appears to be a division of years as to the forging ahead in Scottish Rite Masonry in Harrisburg. Let us remark that the closing thirty-five years of the nineteenth century mark the formative period and the first forty years of the twentieth century embrace the general active period.

Apparently in this formative period, too much credit cannot be given to H. Stanley Goodwin, 33°, and his small band of fellow-workers. They had to do duty as officers in the four different bodies of the Scottish Rite during the same periods of formation. There were not many members with whom to keep in close contact, but there were many major and minor affairs demanding attention if success were to be attained.

During the formative period but little success was attained in increasing the membership. The degree work was effected by communication; probably in some instances degree work was done by amplification.

For fifteen years beginning in 1865, covering the union of 1867 of the Scottish Rite bodies, the Harrisburg A.A.S.R. was apathetic or dormant. The method of conferring degrees was rather crude, at least, not successfully inviting, and made but little impression on the novices. Degree appeal was lacking.

Even after the Carlisle and Shrewsbury Scottish Rite bodies merged with the Harrisburg bodies, but little advancement was effected. The records show that Harrisburg Consistory membership was only thirty-nine in 1880. The Harrisburg bodies began recovering from their apathy and dormancy, and the membership was increased to eighty-two in 1890.

The records for the 1890's show increased interest and some advancement. The following extract from the minutes of the Harrisburg Consistory meeting of February 5, 1895, is of historical interest. We quote:

"Resolved, that the Trustees of the Permanent Fund be authorized to enter into a contract with the Evangelical Association of

North America for the purchase of the Trinity Church Property of said Association located on North Street between Capital and Third Streets in Harrisburg, Pa., and to purchase the same for Ten Thousand Dollars, and upon the conveyance to them said property in trust for this Consistory; to execute and deliver such Mortgages upon the same and such other securities as they may be advised are necessary or proper for the securing of the purchase money of said property, or for securing the loan of so much money as, with the funds now in their hands, they may require to make up said purchase money."

The foregoing extract from the minutes shows interest and the desire to advance and own a home.

At the meeting of Harrisburg Consistory, July 12, 1895, the purchasing committee reported their work completed and that they were awaiting discharge.

(Quote from the minutes): "It was, however, resolved this Committee which consisted of the first three officers of the Consistory and the Trustees, be and is hereby continued, to which shall be added three other members to act in conjunction to be appointed by the Illus. Com-in-Chief, making Nine in all, to be known as the Building Committee, who shall have full power to put the property in suitable condition for the use of the Consistory. In presenting the Resolution, Sub. Prince Wm. B. Miller complimented the Committee on the efficiency in the work already accomplished and expressed confidence in its ability, judgement, and discretion to carry out the views and desires of the Consistory with the means at command in the further duties assigned. After several of the members had also expressed their satisfaction at the results the Resolution was adopted unanimously. The Illus. Com-in-Chief appointed Sublime Princes George Roberts, Christian Nauss and John C. Smith as the three additional members of the Committee."

The activities of the "1890's" were the closing years of the formative period and the inauguration of the active period beginning with the twentieth century.

After the purchase of the Trinity Church property, the Consistory has at different times acquired properties adjoining the Cathedral on North and Capital Streets, also four properties on Briggs Street.

When Harrisburg Consistory established its home in the acquired Church Property, there was experienced the "pride of

possession." Efforts were put into effect to improve the degree work, make it more attractive, thereby contributing to increased membership. Their total membership required three figures instead of two. They were assembling classes. At the beginning of the active period in the twentieth century they began their "Reunion" activities and classes were initiated numbering into hundreds. Increased facilities were necessary. The Consistory Building was increased in size, a stage was erected which contributed greatly to the efficiency of the degree work.

The progress of the Consistory so far in the twentieth century is well known to many of the present members. It is not the intent to magnify any Consistory attainments, but to present the facts or data in readily understandable form.

The records show that at the stated meeting of Harrisburg Consistory, September 13, 1895, arrangements were made for Dispensation to move the Scottish Rite bodies into the newly acquired Cathedral property. To show the completion of this move, we quote from the minutes of the Harrisburg Consistory meeting held October 11, 1895:

"A stated meeting of Harrisburg Sov. Grand Consistory was held in Scottish Rite Hall this evening." This shows the removal from the Market Street meeting place to the Cathedral on North Street, which place has been the regular meeting place and office from that time to the present.

Other real estate acquired during the twentieth century period, 1901 to 1940, include part-ownership of 316, and full ownership of 318, 320, 322 and 324 North Street to the Cathedral and from the Cathedral to the corner of North and Capital Streets; the properties, 706, 708, 710, 712, 714, 716 Capital Street and 303, 305, 307 and 309 Briggs Street were also acquired.

The close of the Consistory year, April 30, 1940, shows the possession of the foregoing mentioned real estate; and a total investment in securities and cash of \$780,256.49. If we make a yearly average for the seventy-five years, we have \$10,403.42 yearly gain, exclusive of real estate.

Your attention is directed to some of the members of Harrisburg Consistory who have achieved and received honors and distinction in Freemasonry for valiant services rendered.

Ill. Andrew Singer Patterson, 33°, was chosen as Treasurer of Harrisburg Consistory, May 13, 1910. He was exalted to the station of Commander-in-Chief, May, 1922, and served until May,

1925. He was elected a member of the Board of Trustees, May 11, 1928, continuously re-elected and is a present member and president of the board.

The Thirty-third degree of the Scottish Rite was conferred upon him September 21, 1920. Ill. Patterson was signally honored when he was crowned an active member of the Supreme Council, 33°, September 19, 1929. He was chosen Grand Treasurer General of the Supreme Council, 33°, August 31, 1931, and is the present incumbent. He was chosen Grand Treasurer of Pennsylvania Council of Deliberation, A.A.S.R. in 1923 and Grand Secretary, June 5, 1936 and has been continuously re-elected. He has most efficiently performed the duties of both stations, and is the present incumbent.

By his devotion to Scottish Rite Masonry, he has, quietly and unpretentiously, indelibly stamped his activities for the advancement of Scottish Rite Masonry upon the Harrisburg Bodies.

Ill. William M. Donaldson, 33°, was prominently identified with the work of Harrisburg Consistory in the formative period prior to 1900 and continued to exert a marked influence after the turn of the century. The Thirty-third degree was conferred upon him September 18, 1906, and he was crowned an active member of the Supreme Council, 33°, September 18, 1919. He was appointed Deputy of the Ancient Accepted Scottish Rite in Pennsylvania September 22, 1919 and served until December 6, 1921, when he resigned voluntarily because of his health condition. He passed into the Great Beyond October 30, 1928.

Ill. James Hodge Codding, 33°, received the Scottish Rite degrees January 29, 1875. He was created an honorary member of the Supreme Council, 33°, September 15, 1891, and was crowned an active member September 18, 1894. He served as Grand Secretary-General of the Supreme Council September, 1902 to September, 1919.

He became a charter member of the Lodge of Perfection, Council of Princes of Jerusalem, and Chapter of Rose Croix in the Valley of Towanda. He served as Thrice Potent Master, Sovereign Prince, and Most Wise Master. His death occurred September 12, 1919.

Ill. William Luther Gorgas, 33°, served as Right Worshipful Grand Master of the Grand Lodge of Free and Accepted Masons in Pennsylvania 1912-13.

He was created an honorary member of the Supreme Council,

Seventy-fifth Anniversary

• 1940

33°, September 18, 1906. He passed into the Great Beyond January 31, 1919.

Ill. Samuel H. Goodyear, 33°, served as Right Worshipful Grand Master of the Grand Lodge of Free and Accepted Masons in Pennsylvania 1924-25.

He was created an honorary member of the Supreme Council, 33°, September 21, 1926.

Ill. Edgar A. Tennis, 33°, was Right Worshipful Grand Master of the Right Worshipful Grand Lodge, Free and Accepted Masons of Pennsylvania in 1902-3.

He was created an honorary member of the Supreme Council, 33°, September 16, 1902.

Ill. William S. Snyder, 33°, served as Right Worshipful Grand Master of the Right Worshipful Grand Lodge, Free and Accepted Masons of Pennsylvania in 1929-31.

It was during his administration as Right Worshipful Grand Master that the Right Worshipful Grand Lodge of Pennsylvania celebrated the 200th Anniversary of Freemasonry in Pennsylvania.

He was Commander-in-Chief of Harrisburg Consistory 1916-19; Thrice Potent Master of Harrisburg Lodge of Perfection 1906-7.

He has been a member of the Harrisburg Consistory Board of Trustees since May 11, 1928 and is a present incumbent.

He was created an honorary member of the Supreme Council, 33°, September 16, 1913.

This brings to our attention that four of our members, three of whom are still living, have served the fraternity as Right Worshipful Grand Master.

Ill. Scott S. Leiby, 33°, present Commander-in-Chief of Harrisburg Consistory, has been active in Symbolic Lodge activities and has attained the station of Right Worshipful Grand Senior Warden of the Right Worshipful Grand Lodge, Free and Accepted Masons in Pennsylvania.

He was created an honorary member of the Supreme Council, 33°, September 25, 1940.

Harrisburg Consistory, in its endeavor to celebrate, points with pride to the escutcheon on which is inscribed in glowing terms a delightful story embracing seventy-five years of success in happy accomplishments, both fraternal and material. We mention with pride the attainments of Harrisburg Consistory, and with honor to the officers and members who have contributed time and devoted their energies and persevering work which have placed

Harrisburg Consistory and Co-ordinate Bodies in the front rank of the Ancient Accepted Scottish Rite of the Northern Masonic Jurisdiction of the United States of America.

When we compare the membership of approximately 400 in the Lodge of Perfection December 1, 1900 with our Consistory membership of 6,493 April 30, 1940, we must come to the conclusion that we have been active.

One of our most active Scottish Rite Masons in Pennsylvania, one who is thoroughly versed and conversant with membership statistics in general, presents the following information: "We have seen that the membership of Harrisburg Consistory had gradually climbed to 321 in 1900 and that it had reached 6,493 on April 30, 1940. In the three decades, the living membership was quoted as 1,398 in 1910; 3,377 in 1920; and 7,020 in 1930."

"These figures indicate that the membership as we celebrate the Diamond Jubilee is approximately nine per cent less than it was in 1930. There should be elation rather than disappointment at this decline. Harrisburg Consistory, with marked success, weathered the storm of one of the greatest financial depressions of many years. Masonry, with other fraternal bodies, churches, civic and other organizations faced unusually trying circumstances in the last decade. High-ranking Masons have accepted such losses, as have been experienced, philosophically. They have deprecated the rapidity, probably abandon is not too strong a term, with which Masons, Symbolic Lodge and Scottish Rite, were made during the World War and the mad twenties following. I have expressed the belief that, in recent years, many who should never have been initiated into the Masonic bodies have been dropped from the ranks. Be that as it may, Harrisburg Consistory has suffered much smaller losses than the average. Some Pennsylvania Consistories have lost approximately fifty per cent in membership. The eleven Consistories of the state as a whole have had losses of approximately twenty-seven per cent, and the losses in the entire Northern Jurisdiction approximate thirty per cent."

The foregoing statement, coming from one who knows whereof he speaks, should remove the frown of disappointment and replace it with the pleasant expression of satisfaction—yes, even more than that, it should be the spirit of jubilation, especially on this SEVENTY-FIFTH ANNIVERSARY OCCASION.

During Harrisburg Consistory's seventy-five years of existence, it has been subjected to two forms of criticism. The formative

period was harshly criticized or censured for what was not done. The active period has been flatteringly praised for what has been accomplished.

To show Harrisburg Consistory's accomplishments in membership, the following statement, which may vary slightly, being compiled at different times from those of other statistics, is presented.

As a matter of information, we include some data prepared by two enthusiastic workers in Harrisburg Consistory for their personal information. These figures were taken by five-year periods from the reports of Pennsylvania Council of Deliberation beginning with the year 1900 and ending with 1935. The report of the Council of Deliberation for 1940 was not available at the time of preparing this information, therefore, we shall ask your indulgence for adding these figures as found in the office records of Harrisburg Consistory, April 30, 1940. The figures given include the twentieth century, or active period, only.

Year	Total (For Penna.)	Harrisburg Consistory		
			(L. of P. only, except 1940)	
1900	5,005	400	December 1, 1900	
1905	9,659	927	" 1, 1905	
1910	15,255	1,358	November 30, 1910	
1915	21,876	1,860	" 30, 1915 (50th Anniversary)	
1920	51,404	3,543	" 30, 1920	
1925	73,076	5,653	" 30, 1925 (1926?)	
1930	85,543	6,644	" 30, 1930	
1935	75,591	6,238	August 9, 1935	
1940	62,914	6,493	April 30, 1940	

The foregoing figures are given as a matter of celebration and are approximately correct. The highest membership was in 1930. Reasons for the decline have been given elsewhere.

Nevertheless, whether exact or approximate, they are sufficiently near to be a matter of celebration and should be so considered, rather than taken as officially exact. The different dates at which the items are taken must also be considered.

It may appear like repetition, but we desire, as explanatory matter or data, to quote from the manuscripts of other writers.

"Harrisburg Consistory, A.A.S.R. ranks seventh in membership in the United States and comes to the celebration of its Diamond Jubilee with exceedingly great, though pardonable, pride in its accomplishments since the memorable date of its constitution, November 15, 1865."

"Achievements, both fraternal and material, which contribute to the pleasing satisfaction which dwells in the breasts of those who know their Consistory and its work best. Fraternal accomplishments are difficult to measure in degrees of prosperity; probably it will suffice here merely to voice the confident belief that the principles of Scottish Rite Masonry are upheld with marked fidelity, and that high fraternal accomplishment alone has made possible the material prosperity results."

"Concrete evidence of this material prosperity is readily discernible. The rank of seventh in membership in the United States is eloquent testimony in one phase. The 6,493 living members, as of April 30, 1940, give Harrisburg Consistory third rank among the eleven Consistories in Pennsylvania. These members come from virtually every walk of life. They are leaders in their respective communities and have contributed to the well-being of the various branches of Freemasonry in many ways."

"Financial resources, possibly, speak more loudly of the material accomplishments. As of April 30, 1940, Harrisburg Consistory owned its cathedral and adjoining real estate conservatively valued at \$250,000, and possessed cash and investments amounting to \$780,256.49."

"The twenty-five years since the celebration of Harrisburg Consistory's fiftieth anniversary constitute the era of material prosperity, notwithstanding that the nation has experienced its longest and most pronounced depression during the period."

"The membership of 6,493 is more than triple that of 1915. Financial resources are almost three quarters of a million dollars greater. The real estate holdings of the earlier date were not as extensive nor as valuable as those of today. In 1915 the investments amounted to \$48,431.33, a paltry figure when compared with the \$780,256.49 of today."

"That these extensive gains have been made, that Harrisburg Consistory occupies the enviable position that it does today is due entirely to the ardent belief in Scottish Rite Masonry and an intense desire to work for its advancement on the part of a band of faithful workers from 1865 to today."

"Probably at this point it may be best to turn back the pages of history to the time when Harrisburg Consistory and the Chapter of Rose Croix were constituted, November 15, 1865. It is that origin we are celebrating at this time. The Lodge of Perfection and the Council of Princes of Jerusalem were constituted twenty months earlier, March 16, 1864, according to the minutes."

Before March 16, 1864, according to tradition, there was Scottish Rite activity in the Harrisburg Section as is learned from a publication of Caldwell Consistory at Bloomsburg. But we are concerned, so far as this celebration reaches, to the direct constitution of the Harrisburg Scottish Rite bodies.

To quote from the afore-mentioned manuscript relative to the Council Princes of Jerusalem: "H. Stanley Goodwin, Thrice Potent Grand Master; Alfred Creigh, Deputy Grand Master; C. F. Knapp, Senior Grand Warden; John Vallerchamp, Junior Grand Warden; Charles C. Shorkley, Grand Master of Ceremonies; George Guinn, Grand Keeper of Seals; John Edwards, Grand Treasurer; Charles A. Bannwart, Grand Secretary; E. W. M. Low, Grand Captain of the Guards; Michael Bender, Grand Tyler. The same officers conferred the degrees of the Council Princes of Jerusalem and constituted Harrisburg Council Princes of Jerusalem on the same day." (This citation evidently refers to the dates March 15 and 16, when the Lodge of Perfection degrees were conferred and the Lodge of Perfection constituted.)

"The list of original members was: R. A. O. Kerr, Altoona; Robert Pitcairn, Pittsburgh; Edward Strickland, Philadelphia; John Palmer, Mechanicsburg; Palemon John, Bloomsburg; Michael Bender, Harrisburg; Isaac D. Lutz, Harrisburg; Charles C. Shorkley, Lewisburg; E. C. Snyder, York; Fitz James Evans, York; Arthur H. Green, York; John Edwards, Harrisburg; William T. Bishop, Harrisburg; Theo. F. Scheffer, Harrisburg; I. D. Strawbridge, Danville; John Vallerchamp, Ashland; William O. Hickok, Harrisburg."

The 75th Anniversary Reunion of Harrisburg Consistory

The Celebration

THE 75TH ANNIVERSARY REUNION OF HARRISBURG CONSISTORY WAS held in Zembo Mosque, Harrisburg, Pennsylvania, beginning Monday evening, November 11, continuing through Tuesday and Wednesday, November 12 and 13, and concluding with a ladies' night, Thursday evening, November 14.

Ten degrees, in full ceremonial form, were conferred on Monday evening, Tuesday and Wednesday during the Reunion. Harrisburg Lodge of Perfection, 14°, conferred the 14°; Harrisburg Council Princes of Jerusalem, 16°, the 15°; Harrisburg Chapter of Rose Croix, 18°, the 18°; and Harrisburg Consistory, 32°, the 20°, 22°, 23°, 24°, 29°, and both Allegorical and Ceremonial Sections of the 32°.

Monday evening, after conferring the 14°, the program was arranged as an Armistice Day program. A distinguished speaker, Ill. Julian M. Thomas, 33°, Active Member for the Supreme Council of France, an attorney-at-law, who had been a resident of France since the end of World War I until the present war reached France, gave a brief but interesting and authentic talk on his experiences in France from just before the invasion of France by the Germans, until after the occupation of Paris and his escape from Europe to the United States.

On Wednesday, November 13, the class organized and took the name, "The 75th Anniversary Class," and elected the following officers: President, Judge W. Clarence Sheely, Gettysburg, Pa.; Vice-President, Dr. Raymond M. Lauer, York, Pa.; Secretary-Treasurer, William G. Cunningham, Harrisburg, Pa.; Orator, Dr. Henry W. A. Hanson, President of Gettysburg College, Gettysburg, Pa.

After the close of the Allegorical Section of the 32°, Wednesday afternoon, November 14, the class officers were introduced, and each made a brief statement of acknowledgment and appreciation of the rare privilege accorded them.

RECEPTION FOR LADIES

The Reunion closed with the entertainment, dance and refreshments for members and their ladies at 7:45 o'clock, Thursday night, November 14. A rainy night did not reduce the attendance nor prevent the affair from moving promptly in its usual efficient manner although, due to traffic congestion outside the Mosque, the opening of the programme was purposely delayed a few minutes so that as many as possible could enjoy the entertainment.

There were 3350 members, guests and their ladies present. This is considerably more than attended any previous Reunion and one of the largest crowds ever present in the Mosque for any similar occasion. The committees handled the situation excellently and the brethren and their ladies followed directions so willingly and genially that there was fine decorum through the evening.

An hour of entertainment, which consisted of six acts of musical, novelty, dancing and acrobatic vaudeville, was presented. Immediately afterwards, refreshments were served in five rooms of the Mosque, some of which had to be "re-set" for the excess crowd. Dancing until 1 A.M. followed in the spacious auditorium of the Mosque and many stayed until the last number of the dance orchestra.

Harrisburg Consistory was honored Wednesday evening, in having present three Past Grand Masters of the Grand Lodge of Pennsylvania, all members of Harrisburg Consistory: Ill. Edgar A. Tennis, 33°, Ill. Samuel M. Goodyear, 33°, and Ill. William S. Snyder, 33°.

This 75th Anniversary Reunion was outstanding in many respects. It certainly was a great privilege to entertain for several days Ill. Frank Colman Allen, 33°, Deputy for the State of Maine; Ill. Allan Melbourne Wilson, 33°, Deputy for the State of New Hampshire, and Ill. Julian M. Thomas, 33°, Active Member for France. It was a great pleasure, also, to have a visitation from Ill. William Smith Rial, 33°, Active Member for Pennsylvania, Wednesday evening.

The Director of work, and his assistants, are to be congratulated on the magnificent manner in which the degrees were conferred. While the ritualistic workers are entitled to full praise for the talent displayed, the unseen workers backstage, in the dining rooms, and throughout the building equally merit recognition for

Seventy-fifth Anniversary

their part in making the Reunion an enjoyable occasion. During this Reunion every department worked in perfect unison, and as a result the complete organization clicked effectively.

Without the excellent rendition of musical selections of the Consistory Choir, much of the impressiveness of the degree work would be lost. The concert Thursday evening, by Harrisburg Consistory Orchestra, added to the enjoyment of that occasion and was greatly appreciated by the audience.
